INTRODUCING

saharaBRONZE

TANNING SOLUTION

Sahara Bronze tanning solution delivers an express tan within 2-8 hours, giving skin that summery sun kissed look without the risks and damage of sun exposure.

Its specially formulated to provide a medium to dark bronze which develops slowly and then fades gradually ensuring a natural looking tan over many days. Infused with rich moisturisers and botanical extracts, Sahara Bronze 2 Hr rapid tan will ensure a healthy, long lasting tan to be envied.
